Social and Fundraising Committee Terms of Reference

The committee exists to organise and support fundraising activities for the Association and Social events for members. These include stalls at various Galas and Town events, a summer lunch and a Christmas dinner.

The committee meets 2/3 times a year to plan activities for the current year and keeps in touch by email, text or telephone.

The Chair, elected at the recent AGM, is Trish James, who requires 3 or 4 additional members to form a committee. Other members with particular knowledge are co-opted as required. With the assistance of the relevant Town sub-committee, Social programmes are organised for visiting guests/groups.
